PURPOSE

To explain to our school community the Department's and Somerville Primary School's policy requirements and expectations relating to students using mobile phones, wearable devices (smart watches) and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Somerville Primary School and,
2. Students' personal mobile phones, smart watches and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Somerville Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Somerville Primary School:

- Students who choose to bring mobile phones and smart watches to school must have them switched off or on silent mode and securely stored at the front office during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones and smart watches must not be used at Somerville Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones and smart watches owned by students at Somerville Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone/smart watch to school unless there is a compelling reason to do so. Please note that Somerville Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Somerville Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Somerville Primary School students are required to store their phones and smart watches in the lockable cabinet at the main office/reception area.
